## Quebec AI, IT & VFX Pilot Program

Quebec is offering a Certificat de sélection (CSQ) to foreign SKILLED workers who qualify in artificial intelligence, information technology, computing and visual effects positions. This is a unique opportunity to come live and work in Quebec.

## Admissibility Criteria

- Have a degree with a major in computer, electronics, or communication field and more, corresponding to Quebec Diploma of College Studies/Technical training or bachelor's degree
- Have a minimum of 2 years of working experience in artificial intelligence, electronics computing or communication field and more.
- Hold or have accepted an offer of employment in Quebec's artificial intelligence, information technologies or visual effects sectors.

Leduc focuses on immigration programs specifically for Canada. With years of experience, we have a proven track record in ensuring candidates meet the criteria to successfully apply to programs best suited to attain their objectives.
